OUR IMPACT

Because United Way of Logan County invests in proven, high-quality programs, your contributions go towards creating long-term impact in our community. Here are just a few things your donation to the annual campaign helped fund last year:

(Information was gathered using United Way Partner Agency data.)

- $3,100 families in severe financial distress and facing potential homelessness received the resources they needed to stay in their homes and remain self-sufficient.
- 736 Logan County residents received counseling, crisis intervention, mental health and/or substance abuse treatment.
- 583 disaster survivors received basic necessities and long-term assistance in putting their lives back together.
- 115 Abused and neglected children needing emergency out-of-home placement were united with safe, supportive and caring foster homes or legal support.

OUR FOCUS AREAS

United Way of Logan County values health, education, financial stability and quality of life. We believe these core elements are critical to our success as individuals, as families and as a community. In order to achieve our vision of a stronger, healthier and more compassionate community, we are working to provide access to these essentials to all people in Logan County through five focus areas.

LEADERSHIP GIVING

For more information about leadership giving, contact us at 405-236-8441.

Become a member of the Leadership Giving Association and maximize your impact. Membership begins with contributions of approximately $10 per week. Members receive all the benefits reserved for our most generous donors.
Community Investment

The Community Investment process is a unique system that allows us to remain transparent and accountable, while allocating donations to our agencies. Each year, donor volunteers lead the review of funding requests, program outcomes, financial data, and past performances for current Partner Agencies and new agencies seeking partnership. Through a series of committee meetings and a site visit, Community Investment volunteers help ensure dollars raised are efficiently invested in health and human service programs that are effectively serving our local community.

Help Our Community Through Volunteering

Each year we invite donors to help determine how United Way dollars are invested. Through the process we call Community Investment, these donor volunteers lead the review of funding requests, program outcomes, financial data, and past performances from Partner Agencies and new agencies seeking partnership. From February to June, volunteers commit to monthly meetings of two or more hours, as well as site visits to a few local nonprofits.

If you contribute to United Way and are interested in participating in Community Investment, please visit unitedwaylogancounty.org or call 405.236.8441.
