VOLUNTEERING
Each year we invite donors to help determine how United Way dollars are invested. Through the process we call Community Investment, these donor volunteers lead the review of funding requests, program outcomes, financial data, and past performances from Partner Agencies and new agencies seeking partnership. From February to June, volunteers commit to monthly meetings of two or more hours, as well as site visits to a few local nonprofits.

THE PROCESS
YOUR DONOR DOLLARS AT WORK
01
RAISING FUNDS
United Way of Logan County (UWLC) raises funds.

02
REVIEW OF AGENCIES
Community Investment (CI) donor volunteers review agency applications, budgets, audits, performance histories and program outcomes. Then they visit Partner Agencies to see firsthand the use of UWLC funds.

03
DECISION PROCESS
CI volunteers discuss funding proposals for each program. The CI Committee operates within the UWLC’s advisory board to review and balance funding proposals from the volunteers, then submits a final proposal to the UWLC’s advisory board for approval.

04
DISTRIBUTION OF FUNDS RAISED
Following approval, the funds are distributed among UWLC’s Partner Agencies.

05
FOLLOW-UP
CI volunteers conduct follow-up evaluations through mid-year and final reports on results achieved.

United Way of Logan County is committed to responsible stewardship, and is diligent in keeping our combined administrative and fundraising costs well below the national standard for nonprofit organizations. Our Partner Agencies are held to the same high standard, and are reviewed annually by our volunteer-led Community Investment process.
