The Community Partner You Can Count On

People who are struggling often need many different kinds of help to get back on their feet. When you contribute to the United Way of Logan County, your donation is making a ripple effect throughout the community, supporting a network of 10 Partner Agencies and 11 health and human service programs. United Way funds are used to surround our community’s most critical needs, address multiple issues and offer help and hope where it’s needed the most.

HOW ARE UNITED WAY DONATIONS INVESTED?
Each year, through our Community Investment process, donors volunteer their time to review agency funding requests, financials and programs to ensure contributions are allocated to proven, high-quality programs that create long-term impact for anyone in need.

THE PROCESS
YOUR DONOR DOLLARS AT WORK

01 RAISING FUNDS
United Way of Logan County (UWLC) raises funds.

02 REVIEW OF AGENCIES
Community Investment (CI) donor volunteers review agency applications, budgets, audits, performance histories and program outcomes. Then they visit Partner Agencies to see firsthand the use of UWLC funds.

03 DECISION PROCESS
CI volunteers discuss funding proposals for each program. The CI Committee operates within the UWLC’s advisory board to review and balance funding proposals from the volunteers, then submits a final proposal to the UWLC’s advisory board for approval.

04 DISTRIBUTION OF FUNDS RAISED
Following approval, the funds are distributed among UWLC’s Partner Agencies.

05 FOLLOW-UP
CI volunteers conduct follow-up evaluations through final reports on results achieved.
