HOW ARE UNITED WAY DONATIONS INVESTED?

Each year, through our Community Investment process, donors volunteer their time to review agency funding requests, financials and programs to ensure contributions are allocated to proven, high-quality programs that create long-term impact for anyone in need.

United Way of Logan County is committed to responsible stewardship and is diligent in keeping our combined administrative and fundraising costs well below the national standard for nonprofit organizations. Our Partner Agencies are held to the same high standard and are reviewed annually by our volunteer-led Community Investment process.
