EMERGING LEADERS

United Way of
Central Oklahoma

TOMORROW'S LEADERS

Central Oklahoma has a special niche for young professionals aspiring to be the leaders of tomorrow. Young adults who contribute \$500 or more annually to the United Way have a unique opportunity to join the Emerging Leaders affinity group. This group of young philanthropists are United Way champions and have opportunities to engage in the community and with each other throughout the year.

Emerging Leaders participate in a variety of community volunteering activities and provide meaningful engagement opportunities for clients ranging from children to senior adults. In addition, members enjoy networking with peers and learning from respected community leaders through educational opportunities throughout the year.

Becoming a member is quick and easy! Your annual contribution of \$500 or more to United Way gives you immediate access to all of our meetings and events.

For as little as \$10 per week, you can join this network of young professionals and make a positive impact in your community and your future.

"United Way is committed to fostering the next group of philanthropic leaders in central Oklahoma. Emerging Leaders are essential to the successful growth of our community."

- Dave Lopez

United Way Strategic Growth Chair
