## TOMORROW'S LEADERS

Central Oklahoma has a special niche for young professionals aspiring to be the leaders of tomorrow. Young adults who contribute \$500 or more annually to United Way have a unique opportunity to join the Emerging Leaders affinity group. This group of young philanthropists are United Way champions and have opportunities to engage in the community and with each other throughout the year.

Emerging Leaders participate in various community engagement opportunities and provide meaningful volunteer activities to clients ranging from children to senior adults. In addition, members enjoy networking with peers and learning from respected community leaders through educational opportunities throughout the year.

Becoming a member is quick and easy! Your annual contribution of \$500 or more to United Way gives you immediate access to all of our meetings and events.

**For as little as \$10 per week, you can join this network of young professionals and make an impact in your community for the next 100 years.**

*"Our United Way has successfully served the central Oklahoma community for 100 years. Emerging Leaders are key to the continued impact on the next 100 years."*

**- Shane Wharton**  
United Way Board Chairman
