A Letter *from the* President & CEO

In my short time as United Way of Central Oklahoma's new President & CEO, I have seen a tremendous outpouring of giving. My cup is truly overflowing.

It is an honor to lead this organization.

Our 31 staff members are able to meet fundraising goals year-after-year because of loyal contributors and volunteers like you. Your gifts of time and treasure allow our neighbors to be connected to life-saving resources.

I am filled with gratitude for our 68 Partner Agencies that work tirelessly to ensure the children, adults and families in our community live successful, healthy lives. A hand up has never been exemplified better.

Our 100th Anniversary came to an end with our 2024 United Way Gala. While it's bittersweet, we are incredibly grateful to look back on the amazing accomplishments our United Way had throughout a century — accomplishments that would not have been possible without you. Once again, we want to especially thank our Centennial Donors for their immense generosity in supporting United Way's legacy.

We began recognizing our Platinum Donors in 2023 and will continue to do so in this publication. These donors have given to our United Way for 20 years or more, and are noted with asterisks by their names throughout the registry. The unfailing generosity of these donors provides steadfast funding for our mission.

We would like to extend our sincere thanks to all leadership donors for their lasting gifts.

On behalf of our board of directors, volunteers, Partner Agencies and staff, thank you for leaving a legacy of giving that will be remembered for the next 100 years.

Sincerely,

Rachel C. Holt
President and Chief Executive Officer,
United Way of Central Oklahoma

**Life is short
and we do not have much time
to gladden the hearts
of those who travel with us.
So be swift to love
and make haste to be kind.
Go in peace to love
and serve mankind.**

– Henri-Frédéric Amiel

Generational Giving

A FAMILY LEGACY OF COMMUNITY

“

We wouldn't get anywhere
if it wasn't for the volunteers.

Richard "Dick" H. Clements

Edward Clements

Robert Clements

The Clements Family

United Way of Central Oklahoma's (UWCO) Lifetime Achievement Award namesake, Richard "Dick" H. Clements, said it best when he declared, "We wouldn't get anywhere if it wasn't for the volunteers."

UWCO, like many nonprofits, relies on community volunteers. For three generations, United Way has been able to count on the Clements family.

The family's generosity started with Dick and his father, Richard J. Clements, who modeled giving back to the Oklahoma City community in which they lived. The Clements' passion and pride for central Oklahoma propelled them into leadership roles in the business world. Beginning during his time at Cain's Coffee and continuing for the rest of his life, Richard J. supported the YMCA, an original UWCO Partner Agency.

In the 1950s, after Dick returned from service in the Korean War, he and his father found a new venture in establishing Clements Foods Co. This year, the company is celebrating 70 years of being one of the nation's premium branded and private-labeled food products manufacturer.

"One of the first things they did is conduct a United Way campaign," Robert Clements, Dick's second-eldest son, said of the company.

And 70 years later, the Clements brothers, Edward and Robert, continue running a workplace campaign at Clements Foods because of the accountability that comes with giving to UWCO Partner Agencies. It is the one time they ask their employees to consider making a donation to a nonprofit.

"It would be almost impossible for someone to live in Oklahoma City their whole life and not be impacted by at least one, if not many, of the United Way Partner Agencies," Ed Clements said.

The brothers believe the relationships their father made through the Greater Oklahoma City Chamber of Commerce, his church and others first connected the family with individuals who supported UWCO.

"He was always very generous and mindful of the needs of others," Ed said. "I really think it came down to civic pride and wanting to contribute in support of the social service needs of people in central Oklahoma. He believed that a strong United Way campaign was one indicator of a great city."

The network of United Way Partner Agencies allows people to support health and human services programs that provide wraparound care to issues, like homelessness, that do not have a one-size-fits-all solution, Ed added.

"We can't think of a better way to help a lot of people in a lot of different areas than by supporting United Way," Robert said.

Sharing their family's giving story with Clements Foods employees and others is integral to the brothers.

"We try to set a good example, not merely by talking about giving but more by doing it," Robert said.

The Clements have done just that.

Before Dick passed away in 2021, the family honored their father's legacy by giving a lead gift to UWCO's Endowment Fund. The fund was created by UWCO's Board of Directors to sustain the organization and its Partner Agencies well into the future.

"We will be most happy knowing we're supporting United Way of Central Oklahoma forever," Robert, UWCO's Centennial Campaign Co-Chair, concluded.

The Clements family's gifts of time and treasure will be remembered for the next 100 years of United Way.

Loyal Contributor

A COMMITMENT TO PEOPLE

The passion Donna Onley has for her Oklahoma City community runs deep.

"I love where I live," Onley said. "Oklahoma is my home. Oklahoma City is my love. And that's the reason I do the things I do."

Onley was raised in a faith-based home, so serving others was second nature. The Moore native, who is a proud wife of 47 years, mother and grandmother, is also a proud United Way of Central Oklahoma (UWCO) Loyal Contributor.

"I have a passion for people in need," Onley said. "I'm blessed for my life and I know it can be gone in a moment. I want to share my blessings with someone else."

The Target employee of 49 years is the sole reason the corporation runs a UWCO workplace campaign. Onley, who is Target's human resources administrator and regional community liaison, has been involved with UWCO for almost as long as her tenure at the retailer giant.

About 40 years ago, Onley heard about United Way. She and her husband, Ed, a former Oklahoma City police officer, attended a local Red Cross event. Noticing her passion, one of the workers approached Onley and insisted she get involved with UWCO.

To this day, Onley is still a UWCO Community Investment volunteer.

"It's almost like we manage from the bottom up," Onley said when describing United Way's Community Investment process. "We look and see what is the need, what do we have to fill that need and are our Partner Agencies doing what they need to do to meet that."

Becoming a UWCO Partner Agency is no easy feat, Onley explained. Donor volunteers vet agencies thoroughly.

"You know the people you can trust and you know your money is being used wisely," Onley said. "I have a passion for our agencies and the clients they serve."

Looking back on her service throughout the decades, Onley remembered working nonstop for two weeks after the Oklahoma City Bombing. She was one of the many volunteers who helped identify family members' loved ones who had passed.

You get such a love for the people, Donna Onley said. That's what it's all about. As I always say, 'There by grace, go I.'

UWCO's research shows that 1 in 3 central Oklahomans will rely on a health and human service program provided by its 68 Partner Agencies in their lifetime. Onley echoed that, saying anyone can fall on hard times and not be as fortunate as they are today.

"We invest in our people," she said. "We invest in the community."

Onley stressed the importance of all corporations knowing the accessibility of services in their area. Target is well-equipped with knowledge of UWCO Partner Agencies to connect its employees with services when a crisis presents itself, she said.

"It's through the wraparound (Partner Agency) services that make the difference," Onley noted. "It's not one agency, it's all of them."

Onley encourages companies and individuals to attend one Partner Agency event to witness the community impact. Our community will thrive when more people step outside of their box to find their passion, Onley added.

"Just do it once and see the effect you have on people's lives," Onley said. "It will change yours."

Tocqueville Society

United Way's Tocqueville Society is formed by our most generous and community-centric philanthropic leaders – those who are committed to investing in the welfare of our community and caring for our most vulnerable citizens. At the forefront of their minds is the need for sustainable and tangible solutions to our community's most challenging problems.

Tocqueville members generously contribute \$10,000 or more annually to United Way, leaving

a resounding impact on central Oklahomans in need. Their contributions ensure Partner Agency funding and support for generations to come – and for that, we couldn't be more thankful.

Alexis de Tocqueville, for whom the society is named, famously documented the American public's unique willingness to work for the public welfare – a tendency to lend faithful support to neighbors and countrymen, especially in times of need.

I've witnessed firsthand the profound impact that United Way of Central Oklahoma and its Partner Agencies have on individuals and families within our community, including my own. Understanding the critical role these organizations play in enhancing community wellbeing, I am deeply committed to investing in initiatives that pave the way for a brighter future for generations to come. I firmly believe in the power of United Way to drive positive change and improve the quality of life for all. As a leader, it's essential for me to exemplify this commitment to employees, encouraging them to embrace opportunities to give back and make a difference. That's why I proudly choose to support United Way and its vision of building stronger, healthier, more compassionate communities.

In central Oklahoma, no organization has a greater impact on the quality of life for our citizens than United Way. For over 100 years, through the tremendous partnerships forged with the best nonprofit agencies, United Way has led the way in providing proactive social, health and educational services for everyone. For over 50 years, we have supported the work of the United Way in every community in which we have lived because we believe it is the one, best way to meet the needs of our neighbors and fellow Oklahomans.

We have been strong supporters of United Way of Central Oklahoma and its mission of connecting people and resources to improve the wellbeing of the community for many years. Through our time and volunteer roles within United Way and various Partner Agencies, we have seen firsthand the difference made in individuals' and families' lives, which improves the community as a whole. We strongly encourage others to become and remain engaged, and to make a difference in the communities they call home.

Centennial Campaign

Although it's bittersweet our 100th Anniversary has come to an end, we are incredibly grateful for the immense support we have felt from our community. Our loyal contributors continued to step up for our United Way in profound ways and shared in our special milestone.

We celebrated raising more than \$17 million for our Centennial Campaign during the 23rd Annual United Way Gala because of loyal supporters like you.

We must say another heartfelt thank you to our 2023 Campaign Co-Chairs, Robert Clements and Natalie Shirley, for their loyal commitment to our organization and our community.

From left to right, United Way of Central Oklahoma 2023 Campaign Co-Chairs Robert Clements and Natalie Shirley, President & CEO Rachel C. Holt and Board Chair Shane Wharton. The more than \$17 million raised will go to support 140 health and human service programs at 68 Partner Agencies in central Oklahoma, Canadian and Logan counties.

VOLUNTEER AWARD WINNERS

We are proud to recognize three servant leaders each year at the United Way Gala. These community-minded leaders put others before themselves without the expectation of recognition. Their service leaves a legacy of compassion that will be remembered for the next 100 years. We would like to congratulate this year's Volunteer Award Winners once again for their exceptional dedication to our community.

Thanks to generous donor-directed contributions, our Partner Agency, Neighborhood Services Organization (NSO), was able to purchase a 2023 Ford, 10-passenger van. The van will safely transport clients to and from medical appointments, helping them gain access to services they need to build a self-sufficient, stable future.

Legacy Society

In honor of our first Century of Compassion and in turning the page toward our next 100 years, United Way of Central Oklahoma launched the Legacy Society in late 2023. The Legacy Society provides donors an opportunity to sustain and extend their support of United Way well into the future. Membership is comprised of individual and corporate members who contribute \$10,000 or more to our endowed funds held at Communities Foundation of Oklahoma and Oklahoma City Community Foundation and/or contribute or declare their intent to contribute a planned gift of \$10,000 or more to United Way.

ENDOWMENT GIVING (\$10,000+)

In 2023, Legacy Society members donated more than \$445,000 in endowed funds, bringing our collective total to just over \$5 million. Our long-term goal is to grow the endowment to a point where the expendable yearly distribution covers operating expenses and 100% of every dollar raised during our annual campaign goes directly to Partner Agency programs we fund.

PLANNED GIVING

To leave a legacy of compassion and hope for United Way and its Partner Agencies, planned giving donors contribute or declare their intent to contribute \$10,000 or more to United Way via a variety of vehicles, including listing United Way as beneficiary of a life insurance policy or retirement fund/IRA, cash, stocks or property bequests in a will, and endowment gifts.

LEGACY SOCIETY DONOR WALL

At the conclusion of our centennial year, we reached a symbolic goal by installing our Legacy Society Donor Wall in the Legacy Room at United Way of Central Oklahoma. This wall recognizes all inaugural members of the Legacy Society – including the donors named on the previous page – who have contributed \$10,000 or more via a gift to our endowment and/or a realized bequest or planned gift. Women's Leadership Society

United Way of Central Oklahoma's Women's Leadership Society unites women – their time, talents and resources – into a remarkable group of individuals devoted to enhancing and strengthening the community through intergenerational opportunities. Over 450 community-minded women give \$2,500 or more annually and are the backbone of powerful women supporting our United Way.

We are pleased to offer a unique giving option for these philanthropic leaders — our Step-Up to WLS program. This program allows interested WLS members to reach the \$2,500 level over a three-year period.

WLS provides numerous educational opportunities to listen to renowned speakers, researchers and community leaders, discuss current trends relevant to central Oklahoma, as well as organize events to better the community through the collaboration of networking and philanthropy.

A driven group of female philanthropists, the focus of WLS is developing future leadership through encouragement of intergenerational interaction and mentoring, educational opportunities and a shared vision of community engagement.

ANNUAL LUNCHEON

Women's Leadership Society's 11th annual recruitment luncheon featured a compelling leadership discussion from Oklahoma State University's President Dr. Kayse Shrum. Dr. Shrum inspired the more than 200 attendees with the concept that the future is most certainly female.

Thank you to Dr. Shrum for sharing your time and insight with our community!

JINGLE MINGLE

WLS members always enjoy partaking in the holiday spirit at our annual Jingle Mingle. Members participate in a donation drive to benefit one of our Partner Agencies. In 2023, members collected more than 120 cozy blankets and snuggly socks for the YMCA's Lincoln Park Senior Center.

Emerging Leaders

Young professionalism is epitomized by our more than 650 Emerging Leaders. Coupled with annual contributions of \$500 or more, Emerging Leaders serve their community through invested involvement and enthusiastic leadership.

The Emerging Leaders Steering Committee meets regularly to discuss activities and more.

Members are actively involved throughout the year, participating in Partner Agency tours, professional development lunches, a Senior Holiday Drive & Gala and the group's signature recruitment event, Raising the Stakes. For the first time in 2023, Emerging Leaders hosted United Way's annual fundraising corn hole tournament, *The Hole Shebang!*

Emerging Leaders Events

Founding members of Emerging Leaders, formerly known as The Horizon Circle, lead a discussion with current members about strengthening nonprofit involvement throughout Oklahoma City. The discussion was part of Evening with Execs, an event designed for Emerging Leaders to gain insight from local leaders. From left to right, BC Clark President Coleman Clark, HSEarchitects Principal Todd Edmonds, Humphreys Capital President Grant Humphreys and Dillingham Benefits Senior Consultant Dave Ortloff.

Emerging Leaders and their friends enjoy casino games at the annual Raising the Stakes event. The event is the largest hosted by the Emerging Leaders Steering Committee, and encourages members to recruit prospective Emerging Leaders.

Sara Lynn Sadorra, an Emerging Leader, serves meals to senior clients of United Way Partner Agencies during the annual Senior Holiday Gala. Emerging Leaders sponsor gifts for the clients, serve dinner, dance and share in the holiday spirit at the Gala.

2024 EMERGING LEADERS

I'm proud of the work United Way of Central Oklahoma does in our community, and I feel privileged to be a part of such efforts. My journey with United Way began with me serving as a Community Investment and Financial Review volunteer, where I got a firsthand glimpse into the comprehensive analysis United Way performs in evaluating its Partner Agencies to earn our trust. After being a part of that process, I can confidently say that every dollar donated to United Way is allocated judiciously in making a difference in our community.

United Way of Canadian County

Canadian County Leadership Giving Association members are creating lasting impact by investing in their community. Each year, their generous gifts of \$500 or more provide hope and life-changing resources for thousands of Canadian County residents in need.

We feel blessed to give to ministries and local nonprofits through a trusted partner like United Way of Canadian County because we can keep those funds in our community where they help families who have specific needs. By giving systematically through my employer, the process is also easy and convenient.

EmbraceOKC

A project of the OKC Schools Compact

EmbraceOKC is a program seeking to improve the behavioral, emotional and social well-being of Oklahoma City Public Schools students and their families through school-based mental health services. The initiative includes screening students for early detection and intervention, as well as training school staff in mental health and psychological first aid and deescalation techniques. In 2023, United Way of Central Oklahoma secured \$130,000 to support EmbraceOKC.
